shape; and,

a length of adhesive tape having a uniform width and a length substantially greater than said width wound in several turns about said core.

Remarks

Figure 8 is amended to replace reference number 72 with reference number 74. This conforms Figure 8 to the other figures and the specification.

Claim 7 is amended to correct a grammar error.

The amendments present the claims in better form for appeal.

Respectfully submitted,

FAY, SHARPE, FAGAN, MINNICH & McKEE
